My dear Dr. Falconer,-

Would you be good enough to have your office send me an annual calendar of Toronto University? My daughter Margaret, who is graduated from the High School in Plainfield, N. J. where we live, would like to take her university course in Toronto. She is a brilliant student, and has been well prepared in classics, mathematics and science. She is also an advanced student in French. She desires to fit herself for Young Women's Christian Association work.

Would you be good enough to inform me as to what she must do in order to enter Toronto University? what the probable cost per year would be? and whether you have a college residence for your women students?

Thanking you for your courtesy in the matter, I remain

Very faithfully yours,

Charles A. Eaton

Dear Sir:

In the absence of President Falconer in Kingston I beg to acknowledge the receipt of your letter making inquiries about a course in the University for your daughter. Under separate cover I am sending you a copy of the Arts calendar and Matriculation Curriculum. In these you will find the entrance requirements and the various courses offered.

The fees are for Arts work $52.00 a year, with laboratory fees in addition, if a scientific course is taken. We have a residence in University College at 7 Queen's Park, and application should be made early to the Superintendent, as there is usually a waiting list.

Will you be kind enough to have your daughter fill out the enclosed form and send it to the Registrar, who will then be able to give you definite information as to her standing and what will be required ?

Yours very truly,

President's Secretary.
